

Canton Utility Billing Automatic Payment Plan

1. Complete form below.
2. Be sure to enclose a recently voided check from your checking account so we can record the account number directly, or enter your savings account number on the form.
3. Continue to pay your bill as usual until it includes a message stating that the bill will be paid automatically.
It takes 45 to 90 days to establish the account on the plan. Note that the transfer of funds for the water bill will take place on or about the bill due date.
